

# ADVERTISING RATES

## HOME PAGE

The screenshot shows the HHO Connection website home page with several advertising spots highlighted in grey boxes. At the top left is the HHO connection logo. To its right is a 'Top Banner' (400 x 80) and navigation links for 'videos | blog | forum'. Below the logo is the tagline 'The place to go for everything HHO'. A central banner features an 'EBN' logo and text: 'HHO Connection is proud to announce that we have become a reseller for the Energy Builders Network'. The main content area is divided into a 'Welcome' sidebar, an 'HHO Marketplace' grid, and a 'video area'. The 'HHO Marketplace' grid lists categories: HHO Kits, HHO Generators, Map Sensors, PWM Controllers, EFIE Controllers, Misc Electrical Components, Misc Hardware, DIY Plans, Installers, and Videos. On the right side, there are three 'Right Side Banner' spots (160 x 400) and two 'Right Side Box' spots (160 x 200) in the center and bottom columns. At the bottom, there is a 'Bottom Banner' (525 x 100) and a 'Left Side Banner' (175 x 400). A footer contains a list of product categories and a copyright notice: 'Copyright HHO Connection 2008-2009 All Rights Reserved.'
